

Curriculum Vitae

Joseph C. Franklin

Harvard University
Department of Psychology
William James Hall
33 Kirkland St
Cambridge, MA 02138

Email: franjc1@gmail.com

EDUCATION

Doctor of Philosophy in Psychology 2013	University of North Carolina at Chapel Hill Chapel Hill, North Carolina
Master of Arts in Psychology 2009	University of North Carolina at Chapel Hill Chapel Hill, North Carolina
Bachelor of Arts in Psychology 2005	Wake Forest University Winston-Salem, North Carolina Magna Cum Laude, Honors in Psychology

ACADEMIC APPOINTMENTS

Assistant Professor Department of Psychology 2015-	Vanderbilt University Nashville, Tennessee
Postdoctoral Fellow Department of Psychology 2013-2015	Harvard University Cambridge, Massachusetts
Instructor Social Science 2014-2015	Harvard Extension School Cambridge, Massachusetts

HONORS AND AWARDS

2012-2013	Earl and Barbara Baughman Dissertation Award, <i>UNC Chapel Hill</i>
2011-2012	Graduate Student Research Mentor of the Year Award (2), <i>UNC Chapel Hill</i>
2009-2010	Graduate Student Research Mentor of the Year Award (1), <i>UNC Chapel Hill</i>
2009	Early Graduate Student Researcher Award, <i>American Psychological Association</i>

- 2009 Travel Award (Berlin, Germany), *Society for Psychophysiological Research*
- 2009 Summer Undergraduate Research Mentorship Award, *UNC Chapel Hill*
- 2008-2011 Graduate Research Fellowship, *National Science Foundation*
- 2007-2008 Merit-Based Graduate School Fellowship, *UNC Chapel Hill*
- 2001-2005 William K. Stamey Academic Scholarship, *Wake Forest University*

Grants Funded

Investigator

- 2013-2015 Military Suicide Research Consortium, U.S. Department of Defense
Co-Investigator (PI: M.K. Nock)
Amount: \$777,564
- 2013-2015 Ruth L. Kirschstein Postdoctoral National Research Service Award
(1F32MH102928-01), NIMH (declined)
- 2010-2011 International Obsessive Compulsive Disorder Foundation Research Grant
Co-Investigator (PI: M.G. Wheaton)
Amount: \$27,000
- 2008-2009 Student Research Grant, *International Society for Traumatic Stress Studies*
Principal Investigator
Amount: \$1,000
- 2006-2007 Social, Behavioral, & Economic Sciences Research Fund, *Wake Forest University*
Principal Investigator
Amount: \$1,600
- 2005-2006 Social, Behavioral, & Economic Sciences Research Fund, *Wake Forest University*
Principal Investigator
Amount: \$1,600

Consultant

- 2013-2014 American Foundation for Suicide Prevention, Standard Research Grant
Consultant (PI: D. Goldston)
- 2013-2015 National Institutes of Mental Health, R01
Consultant (PI: D. Goldston)

PUBLICATIONS

Peer-Reviewed Journal Articles

*signifies student/trainee author

Franklin, J.C., * Puzia, M.E., *Lee, K.M., & Prinstein, M.J. (under review). Re-establishing the aversion to nonsuicidal self-injury (NSSI) stimuli: Evidence for a new approach to NSSI treatment.

- Glenn, J., Michel, B., Franklin, J.C., Hooley, J.M., & Nock, M.K. (under review). Pain endurance in adolescents who engage in nonsuicidal self-injury: The role of self-criticism.
- Franklin, J.C., *Puzia, M.E., *Lee, K.M., & Prinstein, M.J. (in press). Diminished implicit and explicit aversion toward self-cutting stimuli longitudinally predicts nonsuicidal self-injury. *Journal of Abnormal Psychology*.
- Hooley, J.M., Franklin, J.C., & Nock, M.K. (in press). Chronic pain and suicide: Understanding the associations. *Current Pain and Headache Reports*.

- Franklin, J.C., Bowker, K.B., & Blumenthal., T.D. (2009). The association between anxiety and prepulse inhibition of acoustic startle in a normative sample: The importance of signal-to-noise ratio. *Personality and Individual Differences*, 46, 369-373.
- Franklin, J.C., Moretti, N.M., & Blumenthal, T.D. (2007). The impact of signal-to-noise ratio on human acoustic startle. *Psychophysiology*, 44, 339-342.
- Blumenthal, T.D., Noto, J.V., Fox, M.A., & Franklin, J.C. (2006). Background noise decreases both prepulse elicitation and inhibition of acoustic startle blink responding. *Biological Psychology*, 72, 173-179.

Chapters and Invited Commentary

Franklin, J.C., & Nock, M.K. (in press). Emergency-related issues to consider for nonsuicidal self-injury. *The Oxford Handbook of Emergencies and Psychopathology*.

Heilbron, N., Franklin, J.C., Guerry, J.D., & Prinstein, M.J. (in press). Social and ecological approaches to suicidal behaviors. *The Oxford Handbook of Suicide and Self-Injury* (M. Nock, Ed.).

Franklin, J.C. (2010). How pain can make you feel better: Scientists find a strange connection between physical pain and positive emotions. *Scientific American: Mind Matters*.

Blumenthal, T.D. & Franklin, J.C. (2009). The Startle Eyeblink Response. In E. Harmon-Jones and J. Beer (Eds.), *Methods social neuroscience*. Guilford Press.

Prinstein, M.J., Heilbron, N., Browne, C.B., Guerry, J.D., & Franklin, J.C. (2008). Children's peer relations and depression. *International Encyclopedia of Depression*, Springer Press.

PRESENTATIONS

Invited Colloquia and Professional Presentations

2014 Vanderbilt University
Yale University

2012 University of Virginia
University of North Carolina at Chapel Hill

2010 Carolina Institute for Developmental Disabilities

2009 University of North Carolina at Chapel Hill

2005 Wake Forest University

Papers Presented at Conferences

* signifies student/trainee author

Franklin, J.C. (2015, March). *Pain offset relief, conditioning, and self-injury*. In M. Fendt, A. Yarali, and B. Gerber (Co-Chairs), *Timing and valence in associative learning*. Presented at the annual meeting of the German Neuroscience Society, Gottingen, Germany.

Franklin, J.C. (2014, October). *Conditioning aversion to cutting stimuli: A new approach to nonsuicidal self-injury treatment*. In C. Schmahl and A Chapman (Co-Chairs), *new approaches to nonsuicidal self-injury research*. Symposium presented at the bi-annual meeting of the International Congress on Borderline Personality Disorder and Allied Disorders, Rome, Italy.

Franklin, J.C., Glenn, C.R., & Nock, M.K. (2014, May). *Meta-analysis of risk factors for suicidal behavior*. In I. Galynker (Chair), *Frontiers in suicide risk assessment*. Presented at the annual meeting of the American Psychiatric Association, New York City, NY.

- Franklin, J.C. (2013, October). *Prepulse inhibition: An old measure in a new light*. In T.D. Blumenthal (Chair), Testing the “protection of prepulse processing” hypothesis of startle inhibition. Symposium presented at the annual meeting of the Society for Psychophysiological Research, Florence, Italy.
- Franklin, J.C., *Puzia, M.E., *Lee, K.M., *Chung, G., *Hanna, E.K., *Spring, V.L., & Prinstein, M.J. (2012, November). *Pain offset relief and the development (and reversal) of positive associations with nonsuicidal self-injury*. In J.C. Franklin (Chair), Discovering new mechanisms that underlie nonsuicidal self-injury and translating them into effective risk assessments and treatments. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Franklin, J.C., *Puzia, M.E., *Lee, K.M., *Chung, G., *Hanna, E.K., *Spring, V.L., & Prinstein, M.J. (2012, September). *The nature, development, and reversal of positive associations with nonsuicidal self-injury*. In C. Schmahl & S. Misoch (Co-Chairs), Self-Injurious behaviors. Symposium presented at the bi-annual meeting of the International Congress on Borderline Personality Disorder and Allied Disorders, Amsterdam, The Netherlands.
- Franklin, J.C. (2012, July). *Social stress, affect dysregulation, and physical pain: How the neural overlap among these three phenomena can help us understand nonsuicidal self-injury*. Presented at the annual meeting of the International Society for the Study of Self-Injury, Chapel Hill, NC.
- Franklin, J.C., *Shorkey, S.P., *Puzia, M.E., Heilbron, N., & Prinstein, M.J. (2010, November). *Prepulse inhibition as a psychophysiological index of stress*. In J. Shih & R.P. Auerbach (Co-chairs), Stress processes in depression. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
- Franklin, J.C., *Hessel, E.T., *Aaron, R.V., *Arthur, M.S., *Brandon, M.L., *Hanna, E.K., Heilbron, N., Guerry, J.D., & Prinstein, M.J. (2009, November). *The acquisition and maintenance of non-suicidal self-injury: Psychophysiological support for a cognitive-affective regulation function*. In J.M. Hooley & M.K. Nock (Co-chairs), New conceptual and methodological approaches to the study of self-injury. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- Franklin, J.C., *Hessel, E.T., *Aaron, R.V., *Arthur, M.S., *Brandon, M.L., *Hanna, E.K., Heilbron, N., Guerry, J.D., & Prinstein, M.J. (2009, June). *Psychophysiological evidence of a cognitive-affective regulation function of NSSI*. Symposium presented at the annual meeting of the International Society for the Study of Self-Injury, Long Island, New York.
- Prinstein, M.J., Heilbron, N., Browne, C.B., Franklin, J.C., & Guerry, J.D. (2008, November). *Longitudinal associations between peer victimization and adolescents’ suicidal ideation: The role of cognitive moderators*. Symposium presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, Florida.

Posters Presented at Conferences

* signifies student/trainee author

- *Puzia, M.E., *Lee, K.M., Franklin, J.C., & Prinstein, M.J. (2013, November). Implicit and explicit affect towards self-injury stimuli predicts present and future nonsuicidal self-injury. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
- *Puzia, M.E., *Lee, K.M., *Chung, G., *Hanna, E.K., *Spring, V.L., Franklin, J.C., & Prinstein, M.J. (2012, November). *Implicit and explicit emotional evaluations of nonsuicidal self-injury stimuli*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Wheaton, M.G., Fabricant, L., Franklin, J.C., Lee, K.M., Puzia, M.E., Berman, N., Jacoby, R., & Abramowitz, J.S. (2012, November). *Childhood trauma in hoarding disorder and matched controls*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- *Chung, G., Franklin, J.C., *Georgeson, A., *Hanna, E.K., & Prinstein, M.J. (2012, November). *Implicit and explicit affective attitudes toward death: Implications for suicidal capability*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Franklin, J.C., *Puzia, M.E., *Lee, K.M., *Spring, V.L., *Hanna, E.K., & Prinstein, M.J. (2012, October). *Low correlations among four different measures of affect*. Poster presented at the meeting for the Society for Psychophysiological Research, New Orleans, LA.
- *Puzia, M.E., Franklin, J.C., & Prinstein, M.J. (2012, October). *Pain offset relief conditioning reduces negative affect toward self-injury stimuli: A startle eyeblink investigation*. Poster presented at the meeting for the Society for Psychophysiological Research, New Orleans, LA.
- *Lee, K.M., Franklin, J.C., *Hanna, E.K., & Prinstein, M.J. (2012, October). *Pain offset relief reduces startle eyeblink reactivity and stimulates startle postauricular reactivity*. Poster presented at the meeting for the Society for Psychophysiological Research, New Orleans, LA.
- Franklin, J.C., *Aaron, R.V., *Shorkey, S.P., *Arthur, M.S., *Lane, S.T., *Puzia, M.E., *Murray, C.T., & Prinstein, M.J. (November, 2011). *Placebo regulation and pain offset relief may partially explain why nonsuicidal self-injury is reinforcing: Experimental and psychophysiological evidence*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
- *Lassiter, A.M., Franklin, J.C., *Lane, S.T., *Murray, C.T., *Shorkey, S.P., *Spring, V.L., & Prinstein, M.J. (2011, November). *Social influence on nonsuicidal self-injury: Experimental evidence*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.

- *Shorkey, S.P., Franklin, J.C., *Aaron, R.V., *Arthur, M.S., & Prinstein, M.J. (2011, November). *Explaining increased pain threshold and tolerance in nonsuicidal self-injury*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
- *Lane, S.T., Franklin, J.C., & Prinstein, M.J. (2011, November). *General startle reactivity distinguishes between fear and distress symptoms*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
- Murray, C.T.*, Lee, K.M.*, & Franklin, J.C. (2011, September). *An evaluation of the protection function of prepulse inhibition of acoustic startle*. Poster presented at the meeting of the Society for Psychophysiological Research, Boston, MA.
- Lane, S.T.*, Franklin, J.C., & Curran, P.J. (2011, September). *Latent growth curve models better capture habituation of the acoustic startle response*. Poster presented at the meeting of the Society for Psychophysiological Research, Boston, MA.
- Sabatino, A., Bodfish, J.W., Sasson, N., Franklin, J.C., Benning, S.D., & Dichter, G.S. (2011, May). *Affect modulation of the startle eyeblink reflex in autism spectrum disorder in response to social and non-social stimuli*. Poster presented at the International Meeting for Autism Research, San Diego, CA.
- *Shorkey, S.P., *Puzia, M.E., Franklin, J.C., Wheaton, M.G., Heilbron, N., & Prinstein, M.J. (2010, November). *Prepulse inhibition may distinguish between fear and distress on an information processing level*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
- Franklin, J.C. (2009, October). *Reduced prepulse inhibition is sensitive to a wide range of psychopathologies, but specific to none of them*. Poster presented at the meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Franklin, J.C., *Hessel, E.T., *Aaron, R.V., *Arthur, M.S., *Hanna, E.K., Guerry, J.D., & Heilbron, N. (2009, October). *Prepulse inhibition of acoustic startle is decreased by both stress and pain*. Poster presented at the meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Franklin, J.C., Wheaton, M.G.,* Hessel, E.T., & Abramowitz, J.S. (2009, October). *The associations between prepulse inhibition of acoustic startle and dimensions of obsessive-compulsive disorder: Clearer results under stress*. Poster presented at the meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Franklin, J.C., Mathiowetz, R.E., Wheaton, M.G., Heilbron, N., Guerry, J.D., *Hessel, E.T., & Blumenthal, T.D. (2009, October). *Investigating and explaining habituation of prepulse inhibition of acoustic startle*. Poster presented at the meeting of the Society for Psychophysiological Research, Berlin, Germany.

- Franklin, J.C., Mathiowetz, R.E., Wheaton, M.G., Heilbron, N., Guerry, J.D., *Hessel, E.T., & Blumenthal, T.D. (2009, October). *Latent growth curve modeling provides a more precise account of startle habituation*. Poster presented at the meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Franklin, J.C., *Hanna, E.K. *Hessel, E.T., *Aaron, R.V., *Arthur, M.S., *Brandon, M.L., Heilbron, N., Geurry, J.D., & Prinstein, M.J. (2009, November). *Affect dysregulation is associated with decreased information processing as indexed by prepulse inhibition of acoustic startle*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Aaron, R.V., *Arthur, M.S., Franklin, J.C., *Hessel, E.T., *Brandon, M.L., *Hanna, E.K, Heilbron, N., Geurry, J.D., & Prinstein, M.J. (2009, November). *Affect dysregulation does not mediate the association between non-suicidal self-injury and pain threshold and tolerance*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Hessel, E.T., Franklin, J.C., *Aaron, R.V., *Arthur, M.S., *Brandon, M.L., *Hanna, E.K, Heilbron, N., Geurry, J.D., & Prinstein, M.J. (2009, November). *Pain threshold and tolerance partially mediate the association between painful and provocative experiences and the acquired capability for suicide*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- Franklin, J.C., *Hessel, E.T., *Aaron, R.V., *Arthur, M.S., *Brandon, M.B., *Hanna, E.K., & Prinstein, M.J. (2009, May). *The cognitive regulation function of non-suicidal self-injury: Evidence from an experimental paradigm*. Poster presented at the meeting of the Association for Psychological Science, San Francisco, CA.
- *Aaron, R.V., *Arthur, M.S., Franklin, J.C., *Hessel, E.T., *Brandon, M.L., *Hanna, E.K., Guerry, J.D., Heilbron, N., & Prinstein, M.J. (2009, June). *Explaining increased pain tolerance in NSSI: Evidence favors opponent processes over stress-induced analgesia*. Poster presented at the meeting of the International Society for the Study of Self-Injury, Long Island, New York.
- Wheaton, M.G., Libero, E.L., Westbrook, A., Franklin, J.C., Mahaffey, B.L., Lackey, G., & Abramowitz, J.S. (2008, November). *Obsessive-Compulsive symptoms: The contribution of obsessive beliefs and experiential avoidance*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Orlando, Florida.
- Franklin, J.C., Bowker, K.B., & Blumenthal, T.D. (2008, November). *The association between various anxiety spectrum constructs and prepulse inhibition at various signal-to-noise ratios*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Orlando, Florida.

- *Pansini, S.P., *Hessel, E.T., Franklin, J.C., Heilbron, N., & Prinstein, M.J. (2008, November). *Spontaneous blink rate as an index of emotion regulation among adolescents*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Orlando, Florida.
- *Hessel, E.T., *Pansini, S.P., Franklin, J.C., Heilbron, N., & Prinstein, M.J. (2008, November). *The concordance of spontaneous blink rates and emotion regulation within adolescent dyads*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Orlando, Florida.
- Franklin, J.C., Bowker, K.B., & Blumenthal, T.D. (2007, October). *Borderline personality disorder traits are associated with prepulse inhibition abnormalities that vary according to gender*. Poster presented at the meeting of the Society for Psychophysiological Research, Savannah, Georgia.
- Franklin, J.C., Bowker, K.B., & Blumenthal, T.D. (2007, October). *The association between schizoid and histrionic personality disorder traits and prepulse inhibition of startle in a nonclinical sample*. Poster presented at the meeting of the Society for Psychophysiological Research, Savannah, Georgia.
- Bowker, K.B., Franklin, J.C., & Blumenthal, T.D. (2007, October). *Deficits in prepulse inhibition of startle with increased bulimic symptomology in a normative sample*. Poster presented at the meeting of the Society for Psychophysiological Research, Savannah, Georgia.
- Franklin, J.C., Blumenthal, T.D., & Moretti, N.M. (2006, October). *Effects of prepulse intensity relative to background noise in startle inhibition and elicitation*. Poster presented at the meeting of the Society for Psychophysiological Research, Vancouver, Canada.
- Franklin, J.C., Fox, M.A., & Blumenthal, T.D. (2006, October). *The effects of background noise and attention on prepulse inhibition of the acoustic startle response*. Poster presented at the meeting of the Society for Psychophysiological Research, Vancouver, Canada.
- Fox, M.A., Franklin, J.C., & Blumenthal, T.D. (2006, May). *The effects of attention on prepulse inhibition of the acoustic startle response*. Poster presented at the meeting of the Association for Psychological Science, New York City, NY.
- Blumenthal, T.D., Noto, J.V., Fox, M.A., & Franklin, J.C. (2005, September). *Background noise decreases both prepulse elicitation and inhibition of acoustic startle blink responding*. Poster presented at the meeting of the Society for Psychophysiological Research, Lisbon, Portugal.

CONFERENCE ORGANIZING COMMITTEE SERVICE

2014 Society for Psychophysiological Research
2012 International Society for the Study of Self-Injury

PROFESSIONAL MEMBERSHIPS

2005-Present Society for Psychophysiological Research
2007-Present American Psychological Association
2008-Present Association for Behavioral and Cognitive Therapies
2008-Present American Association of Suicidology
2008-Present Association for Psychological Science
2009-Present International Society for the Study of Self-Injury
2011-Present Society for a Science of Clinical Psychology

MENTORING

Honors Theses Supervised

Elenda T. Hessel 2008-2009	Awarded Best Honors Thesis (Psychology Department) Awarded UNC Summer Undergraduate Research Fellowship Awarded Highest Honors (now in the clinical psychology program at University of Virginia)
Rachel V. Aaron 2009-2010	Awarded Best Research Poster (All Undergraduate Departments) Awarded UNC Summer Undergraduate Research Fellowship Awarded Highest Honors (now in the clinical psychology program at Vanderbilt University)
Collyn T. Murray 2010-2011	Awarded Highest Honors (now in medical school at UNC Chapel Hill)
Ann Mills Lassiter 2010-2011	Awarded Highest Honors (now works for Deloitte Consulting)
Stephanie T. Lane 2010-2011	Awarded Best Honors Thesis (Psychology Department) Awarded Summer Undergraduate Research Fellowship Awarded Highest Honors (now in the quantitative psychology program at UNC Chapel Hill)
Megan E. Puzia 2011-2012	Awarded Highest Honors (now in the clinical psychology program at University of Utah)
Grace Chung 2011-2012	Awarded Highest Honors (now in the clinical psychology program at Biola University)
Kent M. Lee 2011-2012	Awarded David Bray Peele Award for Undergraduate Research Awarded Highest Honors (now in the social psychology program at UNC Chapel Hill)
