Education

- 2016 – Ph.D., Clinical Psychology
Harvard University
- 2014 – 2016 A.M., Clinical Psychology
Harvard University
Thesis title: “Learning feelings: Charting the development of emotion concepts and emotion granularity”
- 2008 – 2012 B.A., Psychology (Hons), *summa cum laude*
Columbia University
Thesis title: “Tell me how you feel: The effects of naming emotions on emotion regulation”

Research and Academic Training

- 2015 – Clinical Psychology Graduate Student
Affective Neuroscience and Development Laboratory (PI: Leah Somerville)
Harvard University
- 2014 – 2015 Clinical Psychology Graduate Student
Social Neuroscience and Psychopathology Laboratory (PI: Christine Hooker)
Harvard University
- 2012 – 2014 Researcher and Lab Manager
Social Neuroscience Laboratory (PI: Jamil Zaki)
Stanford University
- 2010 – 2012 Honors Student
Social Cognitive and Affective Neuroscience Laboratory (PI: Kevin Ochsner)
Columbia University
- 2009 Anatomy Laboratory Technician
Chiropractic School Anatomy Department
Murdoch University

Awards and Honors

- 2018 Graduate Research Opportunities Worldwide (GROW) Fellowship:
National Science Foundation (NSF)
- 2018 Conference Travel Award
Social Communication Across the Lifespan Conference at University of Kent
- 2017 Certificate of Distinction in Teaching
Harvard University Derek Bok Center
- 2016 Outstanding Poster Award
Society for Affective Science
- 2015 Graduate Student Fellowship
National Science Foundation (NSF)

- 2015 Smadar Levin Student Research Award: Honorable Mention
Society for Research in Psychopathology
- 2015 Student Research Award: Honorable Mention
Association for Psychological Science
- 2015 Summer Fellow
Sackler Institute for Developmental Neurobiology
- 2014 Karen Stone Fellowship
Harvard University
- 2013 Outstanding Alumnus Award
The BACCHUS Network – Area 11
- 2012 Summa cum laude (top 5% of class)
Columbia College
- 2012 Edward S. Brainard Class Day Award for outstanding mind and character
Columbia College
- 2012 Graduation Cords for
Columbia University Office of Multicultural Affairs

Clinical Experience and Training

- Sept 2017 – Gundersen Residence at McLean Hospital
Present Supervisor: Lois Choi-Kain, M.Ed., M.D., Karen L. Jacob, Ph.D., Brandon, M.D.
Clinical Practicum Student: Provide DBT-based, mindfulness-based, and exposure-based skills coaching to women with severe borderline personality disorder through individual and group sessions in a residential hospital setting.
- April 2018 Mentalization Based Treatment: Intensive Basic Training
Instructors: Anthony Bateman, M.A., F.R.C.Psych & Peter Fonagy, Ph.D.
Trainee: Completed a 23-hour intensive training in the basics of Mentalization Based Treatment, an empirically-supported transdiagnostic treatment for personality and substance use disorders.

- July 2016 – July 2017 Center for Anxiety and Related Disorders (CARD) at Boston University
Supervisors: Lisa Smith, Ph.D., Sharon Eldar, Ph.D.
Clinical Practicum Student: Responsible for CBT-based treatment for patients with anxiety and related disorders. Received expert training on cutting-edge anxiety and depression treatments. Administered the Anxiety Disorders Interview Schedule (ADIS) and produced interview reports.
- July 2015 – Present Affective Neuroscience and Development Laboratory
Supervisors: Matthew K. Nock, Ph.D., and Katie A. McLaughlin, Ph.D.
Clinical consultant: Assisted two large research projects (including the Human Connectome Project-Development) with assessments of child abuse and suicidal thoughts and behaviors. Made referrals and reports as needed. Trained and supervised a team of four research assistants in assessing risk.
- June 2015 – Aug 2016 OCD Institute at McLean Hospital
Supervisors: Jason Elias, Ph.D., Jason Kropf, Ph.D., Carol Hevia, Psy.D.
Clinical Practicum Student: Provided individual exposure and response prevention treatment for OCD inpatients. Received close supervision on core clinical techniques and expert training on OCD pathology and treatment. Conducted diagnostic assessments (i.e., SCID, SCID-II, and MoCA) and produced assessment reports. Led group therapy for mindfulness approaches to OCD treatment.
- Jan 2015 – May 2015 Cambridge Health Alliance
Supervisors: Adam Conklin, Ph.D., Diya Kallivayalil, Ph.D.
Clinical Practicum Student: Observed clinical interviews and treatments in an inpatient hospital setting. Worked closely with supervisors on important clinical skills such as interviewing, diagnosis, case conceptualization, medication, treatment, etc. Patients presented with a wide range of severe psychopathologies including suicidality, psychosis-like symptoms, trauma and affective disorders.
- Sept 2008 – May 2012 Alice! Columbia University's Health Promotion Program
Supervisors: Michal McNeil, Ph.D., Cara Chervin, M.P.H., Susan Hochman, M.P.H.
Stressbusters Coordinator: Leader of student organization that trains students to support the well-being of the Columbia community by educating on stress coping skills and providing 15-minute back rubs at approximately 170 events each year. Built program from 16 active members to 70, 56 annual events to 170 and 700 annual participants to 3100 in 3 years; redesigned training to include modules on appraisal theories of stress and mechanisms for stress buffering via social support. New York, NY.
- Feb 2011 – May 2012 Columbia University's Sexual Violence Response Program
Supervisor: Gaurav Jashnani, M.Ed.
Men's Peer Educator: Educated self and other men on ways to end sexual violence through workshops, events, trainings and regular conversations that raise awareness of masculine social privilege and motivate participants to work against their own privilege. New York, NY.
- May 2007 – July 2012 Erik's Tactile Therapies
Massage Therapist: Evaluation health needs of clients, treatment planning, administering massage therapies, record keeping of patient histories. Perth, Western Australia.
- Dec 2007 – May 2008 Nulsen
Support Worker for five residents with mental disabilities: Responsible for supporting residents' social behaviors (encouraging appropriate behaviors, negotiating in difficult situations) and social/skill development.
Jun 2009 – Aug 2009 Perth, Western Australia.

Teaching and Advising Experience

- Spring 2016 PSY 1900: Statistics for Behavioral Scientists
Harvard University (Prof. Max Krasnow)
Teaching Fellow: Led laboratory section of 14 students through weekly statistics problem sets. Assisted students with exam preparation. Assisted professor with homework, exam, and problem set questions and grading. Graded students' final papers.

- Fall 2015 – Present Harvard University Psychology Department
Psychology Undergraduate Concentration Advisor: Assisted undergraduates with course selection for each semester, lab placement, thesis decisions, and overall experience in the psychology department.
- Jan 2013 – July 2014 Tutor Corps
Hired Tutor: Responsible for planning lessons that cover course material, building organizational study framework that optimizes each student’s learning, assist students of all ages master skills and concepts, identifying weaknesses in student understanding, precise explanation of material, building relationships with students and families. San Francisco, CA.

Research Advisees

- 2014 – Present Harvard University
 Matthew Abrams, Aridenne Dews, Kevin Kent, Natalie Kleeman, Jessica Hsu, Sandy Li, Sadhana Ponnaluri, Christina Uhrig, José Santiago, Caitlin Stavish
- 2012 – 2014 Stanford University
 Christina Chwyl, Stephen Frey, Chris Middleton, Jae-Young Son
- 2010 – 2012 Columbia University
 Dani Golomb, Ida Griesemer, Alissa Rogol

Scientific and Clinical Outreach

- Sept 2018 International science outreach event for Rossmoyne Senior High School science program
 Harvard University Psychology Department
Alumni host: Organized afternoon of interactive hands-on activities involving neuroscience and psychology research for students from the Australian public high school from which I graduated.
- April 2018 “What Can Psychology Do for You?” Alumni Panel
 Harvard University Psychology Department
Panelist: Discussed avenues for pursuing graduate training in clinical psychology to room of Harvard University undergraduate students.
- Nov 2017 “When is it More than Just a Bad Day?” Mental Health Panel
 Harvard University Student Mental Health Liaisons
Panelist: Discussed clinical perspectives on indicators of depression symptoms and how to seek treatment to room of Harvard University undergraduate students.
- Sept 2017 Student Publication Committee
 Society for Research in Psychopathology
Student Contributor: Interviewed Dr. Ted Beauchaine and collaboratively wrote newsletter article on his training, research, vision for the future of clinical science, and advice to graduate students.
- Dec 2017 Neuroscience Basics for High School Students Outreach Event
 Harvard University
Outreach team member: Assisted a team of neuroscientists as we explained principles of neuroimaging and neurodevelopment to high school students and their families. Led interactive workshop on dispelling myths about the brain.
- Oct 2016 National Depression Screening Day Event
 Boston University
Outreach team member: Assisted a team of clinical psychologists as we screened students for symptoms of depression and connected them to resources as needed.
- Dec 2015 “The Changing Brain: An Insider’s Look” High School Outreach Event
 Harvard Museum of Natural History

Outreach team member: Assisted a team of neuroscientists as we explained principles of neuroimaging and neurodevelopment to high school students and their families. Performed fMRI scan on a volunteer and explained images to students.

Oct 2014 – Ad Hoc Reviewing
Present *Journal of Emerging Investigators*
Reviewer: Ad hoc reviewer for journal that publishes scientific works of high school students and thereby encourages them to pursue a career in science.

Other Service and Memberships

Feb 2015 – Harvard University Committee on Undergraduate Instruction
Present *Member:* Assist students, faculty, and staff with Harvard undergraduate psychology curriculum decisions.

Aug 2015 – Pforzheimer House
Present *Resident Tutor:* Residential community advisor for Harvard undergraduates. Responsible for supporting students' personal, academic, and social development. Also provide support with house wellness and LGBT committees through regular event programming.

Feb 2015 – Society for Affective Science Student Committee
April 2017 *Chair (2016-2017), Inaugural Vice-Chair (2015-2016):* Co-founded student committee for international society of affective scientists. Assisted with developing committee's structure and currently help implement events and initiatives for uniting and empowering student members.

Aug 2011 Under 1 Roof
Workshop Facilitator: Trained facilitator for conversations on diversity and social justice during Columbia's 2011 New Student Orientation Program.

Nov 2010 – The BACCHUS Network (National Non-Profit Organization for Peer Health Educators)
