## Research Experience

### **Dialectical Behavior Therapy Adherence Coder** 2013 – 2016

Two Brattle Center, Cambridge MA  
Simon Fraser University, Burnaby BC  
Center for Addiction and Mental Health (CAMH), Toronto ON  
University of Nevada, Reno

*Coded individual and group psychotherapy sessions for adherence to DBT for three randomized clinical trials. Trained to reliability with gold standard coder at the University of Washington using standardized adherence scale.*

### **Assessment Team Coordinator** 2012 – 2014

Simon Fraser University  
*Trained graduate and undergraduate research assessors on the Structured Clinical Interview for DSM-IV (SCID-I and SCID-II) and the Diagnostic Interview for Personality Disorders (DIPD). Developed training protocols to ensure adherence and reliability on interview ratings. Acted as benchmark for reliability ratings.*

### **Data Team Coordinator** 2009 – 2014

Simon Fraser University  
*Developed and managed data collection systems, data cleaning and data merging for two multi-site, nationally funded research projects. Mentored a team of undergraduate research assistants on the use of data management software, including SPSS, Remark, and Excel. Prepared and performed data analyses.*

### **Study Coordinator** 2006 – 2014

Simon Fraser University  
*Coordinated a two-year longitudinal study of individuals who engaged in non-suicidal self-injury. Acted as DBT Adherence rater for a pilot study investigating the specificity of DBT Skills modules. Prepared and managed Research Ethics Board applications.*

## Clinical Teaching

### **Psychiatry Resident (PGY-4) Didactic Presentation** 2015

University of Washington Medical Center  
*Integrating Acceptance and Change in Psychotherapy*

### **Psychiatry Grand Rounds Presentation** 2014

Royal Columbian Hospital  
*Dialectical Behavior Therapy: Updates on Implementation in Varied Mental Health Settings*

### **Psychology Staff In-Service Presentation** 2010

Maples Adolescent Treatment Center
